Introduction

Welcome to our seventh Anglesey Arts Weeks, now firmly established in the Anglesey calendar

During the Open Studios and Galleries Weeks, 27 March -11 April 2010, painters, sculptors, photographers, and installation artists open their studios to visitors. You may find anything from cards, prints and original works of art to buy; see anything from works in progress to exhibitions of contemporary art. Venues include studios, chapels, barns, sheds, galleries and artists' homes. You have the chance to meet and talk with the artist, often over a cup of tea, and gain a unique glimpse of the artistic process.

If you are interested in the Performing Arts Weeks, 16 - 31 October 2010, you will find a taste of what is to come on page 39.

Additions and unavoidable alterations to the Guide will be posted to:

www.angleseyartsforum.org
or call the Ucheldre Centre on:
(01407) 763361.

We welcome feedback either via forms at venues or on our website.

Many thanks to our sponsors, Magnox North, Wylfa Site, and Arts Council of Wales, without whose generous support this publication would not have been possible.

Helen Lopez - 'Shift Perception' Ebrill 2 April – Mai 23 May

Mae'r gwaith celf hwn gyda throedbrint carbon isel neu sero - Daeth o hyd i'r deunyddiau ar ddamwain neu fe'u cyflwynwyd iddi. Ar ôl dechrau ar y prosiect yng Nghnada roedd Helen yn awyddus i greu gwaith celf i'w roddi yn erbyn y troedbrint carbon oedd yn cael ei greu drwy ei theithiau. Dyma waith sydd yn ymwneud â dewis, adnewyddu, pethau diflanedig, sefydlogrwydd a'r amgylchedd. Cafwyd nawdd Cyngor Celfyddydau Cymru i'w baratoi.

The artworks have a low or almost zero carbon footprint – The materials used have been found or have come to the artist. Having been to Canada to kick start this project, Helen was keen to produce artwork that would offset all her travelling. This work is all about choice, renewal, transience, permanence, and environment. This project was supported by the Arts Council of Wales.

I paint mainly through the mediums of watercolour and acrylics. I enjoy painting landscapes, seascapes, buildings, and the out of the way corners of Anglesey such as wind bent trees, old gates, walls, and old agricultural machinery.

Rwyf wrth fy modd yn sylwi ar ddigwyddiadau ac emosiynau syml, bob dydd, yr hanesion sy'n digwydd yn fy ngŵydd, boed nhw wedi eu dychmygu neu beidio, tra ydw i'n aros heb i neb fy sylwi, rhywun o'r tu allan yn edrych i mewn. I'r sylwebydd achlysurol, hoffwn feddwl bod fy ngwaith yn cyffwrdd ar y cyflwr dynol, mewn rhyw ffordd fach.

I delight in observing simple, everyday events and emotions, the narratives that play out in front of me imagined or not, while I in turn remain unnoticed, an outsider looking in. To the casual observer, I would like to think that my work touches on the human condition, in some small way.

Mae lleoliadau arddangosfeydd eleni'n cynnwys Urbis, The Vernon Mill ac ar hyn o bryd oriel Colin Jellicoe ym Manceinion.

I paint local scenes in acrylic and semi-abstract land and seascapes in oil. Extraneous detail is omitted and texture and colour used to create mood and atmosphere. Exhibition venues this year include Urbis, The Vernon Mill, and currently the Colin Jellicoe Gallery in Manchester.

Mae sgiliau lluniadu a phortread yn rhan ganolog o'r hyn a wnaif. Rwyf yn hoff o'r wyneb hŷn gyda llinellau a chyrchau ei gymeriad. Fy hoff weithgaredd ar y funud yw collage, sy'n gofyn am ddeusiadau penderfynol o liw a llinell.

Drawing skills and portrait are at the heart of what I do. I love the older face with its character lines and wrinkles. My favourite activity at the moment is collage, which requires resolute choices of colour and line.

Mae'r holl ddeunyddiau a ddefnyddir yn bethau y cafwyd hyd iddynt neu a ddaeth imi. Ar ôl bod yng Nghnada i symblu'r prosiect hwn, roeddwn i'n awyddus i gynhyrchu gwaith celf a fyddai'n gwneud iawn am fy holl deithio. Hanfod y gweithiau celf yw dewis, adnewyddu, darfodedigrwydd, parhauster, ac amgylchedd. Cafodd y prosiect hwn ei gefnogi gan Gyngor Celfyddydau Cymru.

All materials used were found or have come to me. Having been to Canada to kick start this project, I was keen to produce artwork that would offset all my travelling. These artworks are all about choice, renewal, transience, permanence, and environment. This project was supported by the Arts Council of Wales.

Janet Bell Gallery is in the beautiful seaside town of Seacombs on the Isle of Anglesey.

We sell Janet Bell's original paintings, prints and cards of Anglesey's beautiful coastline, as well as the full range of her signature Cornish and Devon views. Many prints are exclusive to our gallery.

This Spring we feature an exclusive exhibition of original paintings and limited edition prints by the highly collected Cornish artist Sasha Harding, who has painted Anglesey for the first time.
